

The Pearson Lakes Art Center is pleased to announce a call for artists. Consider submitting your work for possible selection in this exhibit!

The Celebrate the Arts! Juried Exhibition will be on view April through June, with the exhibit closing the night of our Celebrate the Arts! Gala with an art silent auction.

Our recurring theme for this year has been "refresh" and "growth", featuring botanical and floral content in this fundraiser and surrounding programming. We invite you to use this as inspiration for your submissions, however it may mean to you.

A digital catalog will be created and made available through our website and social media. Online bidding will begin as we near the June 5 event. The final bid is split 50% with the artist and a portion of sales from this silent auction will go directly to our Collections Fund, allowing for the conservation and growth of the art center collection, including the possibility of a purchase coming directly from this exhibit. Please return this form and submit images of your work.

Email to visual@lakesart.org, with each image title labeled as follows: **ArtistLastName_ArtworkTitle.jpg**

Submit up to three works for consideration.

Deadlines for entries: March 13. Artists will be notified of selected works by April 1. Deliver works to the PLAC by **April 17**, for exhibition install.

Bidding Process for Selected Works:

A starting bid, set by both you and PLAC staff, will be put on your item and should encourage active bidding to take place. We can also help you determine this price. If the starting bid price is not met, then your item will not be sold, and remains property of the artist. If the piece is sold, the artist will receive 50% of the final bid.

Final bids will take place on the evening of June 5 through silent auction format on our online bidding platform.
